sumthin even better, take that hummer and prepare yourself a buggy bomb
perfect for flamer and stank rushes as they have to get close
if theres too many snipers, apc bomb
as an alternate to proxies, remotes r good, just box them in with a friend, hop out, BOOM
the remotes allow u to get the same punch wihtout usin ur bases precious mines
lol i luv buggy bombs in defensive levels or wen they have one or two last vechs after wf/as is
toast, just run up and boom tank is gone as well as all who repaired it
call me a n00b if u wish, i have counted and taken out a med with the standard 30 proxy buggy
bomb, a stank with the 8 remote set up, and flamers omg so many flamers with the proxies as well
bcuz naturally they go strait 4 you

try it, its a blast

lol i made a funnie

btw BS to the guy sayin hes smokin the redhair, maybe u should come down and ill show you the
good stuff
