Sigh, I thought you were trying to get out of this habit.

No, I owned Pauloanv the first game, but the second, he won because the game lagged like shit.

Now, you said the other day, wait 10 minutes, let me fix my cable drives then I'll 1v1 you, but you never return. Then you apologize on n00bstories for it.

Now you're back into your faggot "I OWN U ALL" mood, and won't play me. You make up some bullshit excuse, simply because you know I'm too good for you. I guess you could consider yourself smart for dodging like the pussy you are, because you'd only get owned and lose all your fabricated pride. Sigh.

You suck
