JaLilceSword7Avidfun is the one ive never heard.

The Ren Forum com is the most respected community Followed by CW i think

I know everyone from both communitys and ive never heard of this avidfun n00b.

So Avidfun if i were you i would stfu your not respected for helping to keep this game alive and you sure as hell arnt respected for your skill. Your a nobody on renegade now stfu and die.

And as for you jali

"and FYI i have been playing Renegade Since Beta & have never Cheated Ever"

You sure about that last part? If i remember correctly....

Didnt you get busted only 2 weeks ago?

KthxBye

That aint no proof ice & you know it

dunno, never really cared enough to read it
