I've admitted to being wrong many times. I don't care about your respect, I don't know you. All I know is you have the avatar of some fat kid.

Quote:No, I happened upon this little topic hoping to see some cool FOF banners. But what do I see? A (Crappy) edit of the current FOF banner with some mean text on it. Naturally, I voice my opinion.

It's not much of an edit. All I did was remove the text and add text. So you're saying the current Fisting of Ass banner sucks?

Voice your opinion all you want, just be prepared to go in circles since you can't seem to defend what you're saying.
