Sanada78Yeah, there's just no hope left in this community to help anyone. :rolleyes:

What exactly do you need Jeff? You just want the Temple of Nod on a plane and be able to buy snipers?

Or, you could just use ACK's Country Meadow map as it has this building in it.

Country Meadow, eh? I'll give it a go tonight. Yeah, I just need to see some of the details so I can model it. Thanks for the heads up! Now, WTF didn't ACK tell me it was in that map?
