JavaxcxPedromdrpC4miner suck, suck bad. ACK is a newbie, but just in the game, because his maps are dam cool. What about if you try to kick me, ops i forgot u cant, c4miner had losse with Pauloanv, how can u say he is good???

C4miner is a bastard, and go to a good dictionary and u will say gay=funny or something like that, soo gayness means this topic is funny, then i agree with you, but if you was reffering to homosexual then you are reffering to you. Can you go all to Iraq, to i send my nuclear bomb over you. Tell me when when will you go and where, i will have much pleasure at killing you.

Sigh, the 11 year old war-monger thinks he's cool because he can talk about killing people online without the balls to actually do it in real life.  
Typical.

I agree grow up before you start blurting things like that out ...

My first school had this motto:

"ACTIONS SPEAK LOUDER THAN WORDS!"

Rember that Pedromdrp.
