Dear People,

Me, Wiz, is making a mod with RamJet57.  
We are making a space mod with space fighters and other sorts of stuff.  
We badly need people to help us out with the mod.  
We need:

Skinner, Websitemakers, Modellers(especially vehicles&guns)

You think you can help us out???

Add us(one or both) on MSN or just give us a mail.

Wiz : [WizzyThaMan@hotmail.com](mailto:WizzyThaMan@hotmail.com)  
RamJet57 : [ramjet2008@hotmail.com](mailto:ramjet2008@hotmail.com)
