Quote:to bad the other guy peered out after saying that... i think it could have proved to be a good debate...

oh yeah.. STFU n00b. Can you not see that he was making a Valid statement. It's not a topic that should be debated

And why bring something from n00bstories Chat into the Renegade Forums? No wonder people get so pissed off at you.

And while I'm here. Stop double quoting tard!

PS. If you had any brains you would have spaced it out rather then copying a doube quote you made. FFS n00b!
