Subject: Renegade Alert Ore Truck
Posted by Aircraftkiller on Thu, 25 Mar 2004 04:16:01 GMT

It was finished by the new artist I hired a month back. Everyone, please, welcome Chris J. Fortier to our excellent team.

He's a very good artist in both 3D and Photoshop and knows his stuff well.

This is the Ore Truck, Allied version. Soviet will be viewable in-game.

Polygon count is 1,892.
