[quote="SencneS"]Here are a few from the WL hand book. (Can't wait for the responce)

City_Fly ONLY:-

You don't need a hum to get into the hand or even a tank. It's tricking and it's not really a cheat. If you walk around the side the big building as a hotwire looking to get in the han...../quote]

Very very nice I may add some of these later will contact you then.
