Pedromdrp decided it would be just funky to go off and try and make a mockery of the n00bfiles.

Although you cannot post your comments in the story itself, because I locked it, you can laugh at his moronic traits. Please do not go off and make "OMF H PEDRO TEH N00B" stories just based on stories he's posted...

If you catch him ingame, being a fucktard, by all means make a story, we'd be glad to hear from you at <http://www.n00bstories.com> =)
