kawolskypeople who smoke are the biggest idiots, especially when im walking/sitting behind them....

i made a guy look real stupid a few days ago, i was walking through a car park with some friends and girls, and this guy breathed smoke out the window at one of the girls, so i walked past him, pulled the cigarette outta his hand, through it on the floor and said "dont fucking smoke, retard"

If you did that to me you would be the subject of this topic. An idiot. However I don't smoke and don't intend to either.
