AlkalineJavaxcx Don't use hypothetical situations. It'll only weaken your pathetic argument, child.

Thanks for the advice grampaw, no be sure you don't shit yourslef on the sofa again.

lol, consider yourself pwnt.

Remember your little tirade about the rules of this place? You're lucky you're not banned here for violation of the ToS. I'd suggest not to take on people who are mentally, (and probably physically) superior to you or you'll just end up in that little corner in your room, crying your little foolish eyes out because you can't match wit with someone on an internet forum... again.
