Your full of shit if you go around something sucks yet to you join to play it :rolleyes:

This I have to laugh at... simply because he later goes and says:

Quote:typical retarded renegadeforums reply, stupid homo threats after getting put in your place.

If you don't like these forums, why are you here? Are you retarded? Do you like being in a forum with people who are (as you call them) retarded? You like to be retarded?
