neowolf242CrimsonWithout seeing the file, we have no way of knowing if it's a cheat or not.

Please let us know where to find it and we can add it to the database.

i sent it to one of the guyz here another thing it wont let me use my inf only server thing it's from blackcell.net i'll give the link for it

here is where the file is located it wont let me use ctf either
