look at the votes stupid asshole, you should be banned as well in cramasson's stupid community.

I can't fucking belive EA give this power hunger whore the official website.

whatever, people hate her enough to release cheats under her name, so she can do whatever the hell she wants with he stupid ass community. ITS NOT THE RENEGADE COMMUNITY, ITS CRAMSON"S community.

rename the site to the OFFICIAL CRAMSON"S ASS KISSER FORUM
