IRON-FARTErr.. Yea...xp took it a little too seriously

Yeah, I'd just hate to have people lose faith in Renguard due to some morons talking about their "uber 1337 m00hack". I've been doing server side modifications on my server for the last six months and am fairly sure of what's possible and what's not.

Quote:rofl... should I take that seriously? ^^

That, was sarcasm.
