I never said i made it. I edited it.

Z, dude no offense but i figure i better tell you this, taht is known as ripping, if you take something like that and dont ask and just edit a word or two like you did, its ripping and its wrong dont do it again.

Actually you are both wrong. That photo belongs to whoever took the picture. (Unless it was sold off.)

Did you ask permission to use it?

And besides adding some text and putting Chapelle's own joke right there isn't really work.
