We're acting like fucking morons and I agree. We have the idea of "ATTACK, ATTACK!" I figured out quickly that it was a huge fucking mistake. We're desecrating these forums by acting like morons. I have been acting worse than Alkaline lately. I totally went psycho and I have realized my error. We seriously need to take a chill pill and are willing to do so. I extend my deepest regrets to how we have acted and I am ashamed to be acting like this. You won't be seeing this shit again, especially from myself.
