dude, don't get harsh.

DarkDemin's a moron and i didn't tell him to do anything of the sort. I see you as a good buddy and dark is a moron.

It'd be kind of flaming but with more sense. Instead of, "Dude, FUCK OFF," it'd be more like, "Please shut up. You don't know what you're talking about and you're making a complete ass of yourself." Doesn't seem much more than before, but I guess it'd show a little more authority if it comes from a group member.

Crimson has her reasons for doing things, I thought it was kind of funny.

You're a sense of reason on these forums, I made sure that you were someone we could try to ally with instead of make war with.
