j_ball430We aren't out to flame, we're out to calm down and debate against morons who think low of our forums and n00bstories. We didn't show any good skills with tonight's display, but we are still so very much dedicated to eliminate the likes of you and Alkaline.

You just insulted me, by calling me a moron. That's very calming, in a hypocritical way. Again, if you're up for defending n00bstories from my posts which apparently hurt you, then you belong on the n00bstories forums. Here you go, <http://www.n00bstories.com/phpBB/> . And as for your intended elimination, I'd really like to see how you plan on doing that.
