cowmisfitZepReally? Because, excepte for the fact that you play Renegade, that post was targeting you. :rolleyes:

Well lets exam this shall we? I play renegade, i am on a renegade forum thats flaw one of your "targeting" flaw2: I am not sad at all, i am quite happy, i just dont like morons, flaw3: Base by whole life? i dont think my whole life is based around a moron like him, or any of this. So i guess your "Target" hit you in the face didnt it??

lol why do n00bies come, and as soon as they get here they thing there badass and can be a smartass to others?? The world may never know.

^^ No, I am afraid it didnt. I could go on proving you wrong, but its a waste of time because what I posted was wrong too. I can say that post was not targeting you tho, I was not thinking when I made it. I was going though the forums, and I could see people turning on Alkaline for no reason at all. Some of you may have a reason, but some of you are just plain ignorent. The post I made eariler was out of ignorence drivin by anger due to the fact that a friend of mine was being bashed. I could go on with reasons and st00pid stuff, but I dont feel like it. I am going to play Renegade. My apologies, but all I am going to say is Alkaline is a great guy, you just need to get to know him, and the problem is that you guys dont know him, and I guess its the same thing for you, I dont know you guys, all I see is the hate for alk, and it pisses me off, I bet if I got to know you, I would understand more, and some of you probably are good guys.... oh well... Im out.

^^ Bad typing because I am in a rush and I want to go play Ren now.
