OK GSE,

Sounds like you are up for it...let's get something straight first. I mean no disrespect. I only said I thought the clan's methods were suspect. Playing w/ you in the past, I remember a lot of head scratching afterwards. Like "wow...what just happened?" You beat us the same & I will apologize for suspecting you & will ever be humbled in your greatness. Until then, let the games begin...Just let me my crew together. < lol > Some will have to dust off their Renegade CDs.

Get ready for an A#@ whoopin GSE:
