Alkaline what points did any if you turkeys make?

There are no points, only the your shit pushed up to your head.
you just chatter,

"BOOHOO, no its not right to do that your blahh" and call it a point. :rolleyes: Funny how easily your dumb little rants and opnions constitute as points :rolleyes:

I guess this only happens in the releam of FDS idiots and friends.

You graduated from highschool, (supposedly):

Point: You're an immature, hypocritical egomaniac.

Proof: See your OWN post.

Analysis: You seem to dismiss the posts of others calling them useless drivell, while in reality, your own ignorant and arrogant replies offer no resolve to the posts made against you. This either means you're illiterate, or your ego is so inflated that you can't even see your own bltant moronic illogics.
