Alkalineyou are a bullshitter,
the biggest bullshit that you made recently:
"I designed all the desgins on liquid2d.com"
:rolleyes:

b.t.w blazer, crimson edited the records, belive what you will :rolleyes:

Would you like a PSD? (I'll give you a cheap template and put a nice watermark on it)

Alternatively, you could just ask Seren, she has quite a few (50 methinks) that I gave her.
