InfinintThey are on TV and made into movies because people liked the story line. Because people like action packed movies. Now if you're a person like ACK, who hates it because it's illogical then fine, but you don't have to go around crying about it. In BOTH Star Trek and Star Wars I have found numerous errors and flaws that wouldn't be possible, but I don't care, I still like the shows.

are you stuped or dumb nether of us said we did not like it, at least i know i did not would someone that did not like Star trek have over 5 to 7000 dollars worth of parafinalia??? i think not in lamins terms the show is awsome and it means more then just a good show!!!
