Subject: Download These Maps Please :)
Posted by zunnie on Thu, 22 Apr 2004 20:14:06 GMT

Please make sure you have the following maps in your renegade\data dir, we have added them to the FanMaps server map rotation:

http://zunnie.hellrazer.net/maplist/bio.rar
http://zunnie.hellrazer.net/maplist/snow.rar

Also note: RenGuard is required here. You may NOT have ANY skins. The server is set to run in Pure mode!
