It's been a long time since i last played Renegade here, i used to be forum regular under the name of junior\_rojer but my id was lost because i haven't been here in a long time, looks like alot have changed here, and lot's mods to play with too, i'm trying to get back at renegade, but have been unable to log on to Westwood online, anyone can tell, why i can't log in ?? it says the site is down or something and should try later.

DZorro,
