same as jumping and straffing.....some people prefer to walk or run in straight lines then bitch....Zunnie has a point, besides birdie killer (i mean xptek) If you used it on someone there is always the possibility of this; "OMFG WTF? BSBSBS I SO SHOT YOU WTF????? YOU CHEAT YOU CANT YOU FAG" see my point? It's a lot of hassle if it gives an advantage to those who use it or have it.

There is also the possibility of a clash with Renguard, many things to consider i guess.
