I was watching the Pearl Harbour movie last night on TV, and to my surprise i managed to spot the guy who plays Havoc in the pre-release renegade videos (where he raids Westwood Studios etc). Here's two snapshots of the videos for those unlucky enough to not have seen them...

You'll find the whole video at the Westwood FTP site.

<ftp://ftp.westwood.com/pub/renegade/previews/video/>

The video you're after is HAVOC.EXE (51.5 MB).

A few of the others there are worth watching too.

It's in BINK format, so you may need to download the Rad Game Tools to see it (1.5 MB).

In Pearl Harbour he plays as "Joe The Boxer". The boxing opponent against Cuba Gooding Jr on the deck of a naval ship. Dig up that DVD, and check for yourself! Then post a good picture of him cause i couldn't find one.

His name is Andrew Bryniarski, and i couldn't believe it when i found out he was also in...

The Texas Chainsaw Massacre (2003) ... Thomas Hewitt (Leatherface)

Scooby-Doo (2002) .... Cavern Henchman

Any Given Sunday (1999) .... Patrick 'Madman' Kelly

Command & Conquer: Tiberian Sun (1999) ... Nod Sergeant

Street Fighter (1994) .... Zangief

Batman Returns (1992) .... Chip Shreck

Just wanted to share this with everyone.
