SomeRhinoIf you got some screens of vis errors, then I could use them. If you can, convert them to jpeg and zip them up, then you can email them to me. If the file is larger than a megabyte, then use AIM to send it, if you have it.

well im uploading to n00bstories so you can view...give link in a mo....

damn 56k here they are

folder

oh btw the repair bays...dont work..
