She would get sued if she or another mod didn't remove it. It's a public forum where it seems that the majority of the members are 12 years old or at least have the maturity of such. Plus, she doesn't have a disclaimer stating that you must be 18 years old to view this forum because of such and such possibility of pornography blah blah blah.

Jaden, I'm pretty sure IRON-FART got what you meant, I am also fairly sure that it wasn't aimed at you. I don't know for sure, it could go either way, but I'm fairly sure it was aimed at "It's all in the mix."
