cowmisfitbush ownz plain and simple enless you want a liberal peice of shit as president. That WOULD be the point of voting Kerry. They DO want a liberal piece of shit as president. Go figure, vote Bush.

SuperFlyingEngiOh come now, you can't expect DarkDemin to have logical thought processes concerning politics. I mean, come on, he's Republican.

Yeah, I mean, c'mon, Republicans have only been the choice of the American people 18 out of the last 28 presidencies (with democrats winning 9). America may not have the best education always, but the american people aren't that stupid to vote bad presidents that many times.
