JavaxcxKIRBY098DeathgodGo look at our site. Just about anything can shoot down aircraft effectively.

With the possible exception of anyone in the CW clan.

Well, if you like to sit and sp33k w1gga while your base is being anally raped by the lowliest players, you'd fit right in with CW anyway.

Applicants must also be able to lie profusely about how they own j00, and buying tanks for the other team is mandatory.
