TheGunrunl still use dial up... I just resently reinstalled ren yet again and the patch took me about 2 hours. I have UT2k4 now so i dont have to be online that much to get the mmofps feeling. Also does any one remeber a person named "BarneyGuy" part of the +HS+ clan, aka "SnipebgHS". He was a really good sniper in the first year of ren.

I just saw that guy yesterday.
