Thanks for the info. Really appreciate it.

cowmisfitMrBobTheGunrunGot any advice for get'n girls?

Don't waste your time, trust me.

Someone is

A) A faggot (as in really a faggot)

B) Is a nerd and has never had a girl friend

C) Has not hit puberty

D) Is going to post after this one making up a bunch of lies to try and make himself look big and tough because of what choices A, B, C are.

I was going to say something but it seems some one else did it for me
