Hey all,

Ive added a few new maps on the FanMaps0 server.
The most recent added map is called CliffsLX.

Its a night-time, icy map (not as bright as Alpine) with 2 obelisks and 2 AGT's.
Very cool map really, ive made a couple of screenshots of course, you can view/download the map(s) here:

ScreenShots from CliffsLX

Download C&C_CliffsLX

To download all the maps that are currently in rotation go here.
