Quote:I'm not saying this to be mean but most people won't join a clan where the leader is 13 and is ranked almost 20,000.

I have to let my little cousins play on my account (they love the game and love to get on my nerves) so my rank drops. No I am not just making up excuses. I am a skillful sniper. No, I don't mean Majin Vegeta's definition of today's "skillful sniper" lol.
