John Shaft Jr.Sir PhoenixxBut it's still higher than what Blazer said was the limit...

He said 220ish was the limit, the combined size of all 3 of those is just over 700...

Ummmmm.. dude. I don't think he's talking about the WHOLE sig. I'm thinking he's talking about each image is suppsoe to be 250K.

Wow, Thats the first ive heard a black guy say dude! without trying to be sarcastic!
