SuperFlyingEngiWhat the hell was he supposed to say when Congress asked him whether he was havin an affair or not?

When you're under oath, he is supposed to say the truth.

He was accused of sexually harassing Paula Jones, and Monica Lewinsky signed an affidavit for Paula Jones's lawyer that says she did not have an affair with Bill Clinton. You can't lie on an affidavit.

Get it through your head that he was not impeached for getting his dick sucked but for lying under oath. That's called perjury, which is categorized as a F-E-L-O-N-Y. Do you know what else is categorized as a F-E-L-O-N-Y for which Bill Clinton was under investigation? Obstruction of justice. Bill Clinton was impeached for committing TWO FUCKING F-E-L-O-N-I-E-S.

Quote:That's such a bastard question. Plus, it's not a policy.

No, it's a legitimate question when it's written on a fucking affidavit that he didn't have an affair with her.

Does this even warrant a response?
