HomeyIts reol, you have to go into regedit and edit it.

ok any sugstions how?

EDIT: Homey told me so heres what you do:

Go to run

Type in regedit

hit ok

go to local machine>software>westwood>renegade>wol settings>logins

now rename 1 of ur old logins to ur new login

go in to that names folder

double click server

type in USA Server

hit ok

close regedit & launch renegade

thanks again homey..
