Terminator 101it takes like 1 or more minutes for every map to load, and sometimes by the time I get to play (on maps without base defenses), the game is pretty much over

I think the lowest game time I have seen is 1:05 (1 minute and 5 seconds), that was a CnR game.

The problem here is not base defenses, it's a slow computer; probably all you need is more RAM.

With 2GB of RAM all maps load in about 1-2 seconds.
