How exactly did I leak it? Do you see a download link up anywhere?? I sure dont, I dont even have it to upload, so there is no possible way I could have or ever will leak it. Untill you show me some proof that I have it, which i dont, there should be no reason for my ban. And you have no clue on what your talking about. So just dont talk anymore aprime. I have support of 2 well known, and respected people in the renegade community. Thanks Blazea58, and TheKGBspy, I really appreciate you believing me. Since nobody else will, and the name of the staff member who suposably gave the sub test to me has not been revield yet.... Hmmm I wonder why???? Maybe because there is nobody who gave it to me, becuse I do not have it. And you wont mention the other persons name who suposably has it, because there is no other person. Now Aprime, I respect your opinion..... o wait, no i dont. You opinion doesnt matter to me. So how about you leave your business somewhere else. And again for the record, I do not have your dumb little sub test. And If i did so leak it, where is the link????? Im still diying to know!
