Shut up htmlgod. Nobody cares what you say. You arnt even on the RenAlert team. And nobody gave it to me. I dont have it. and if someone did confess, which it would be fake, why hasent anyone given thier name out yet? Hmmmm?? Answer me that. That picture is bullshit and so are you. Again, I dont use my name witout the 00 and that picture could have been taken in a lan game. So you still have no proof.
