Ha ha hilarious! Nodbugger was yelling at me on AIM to make mine smaller, and his is the EXACT same width and total, Larger than mine! Mine is 600 X 157 and his is 600 X 193. *Cough* Hypocrite *Cough* *Takes cough syrup* Ahh... there we go... no more coughing words... Well I will see what I can do about the sig, I just hope the words are still readable at a smaller size.
