Quote:Okay, here's the deal. Crimson was having peace talks with Black-Cell. She said they wanted to ban me. She decided that she would lie and have me change names. She informed BC I was banned and I changed names to Abyss. Thing is, she also informed Black-cell that NO members of BHS had knowledge that I was going to release Dragonade. But, Jonathan (AK) knew I was going to release it about 30 minutes before it happened. SK also knew and was happy about it. I got the worse on both ends, Crimson's lies were exposed and I was banned from n00bstories. I release Dragonade to get praise from peers at n00bstories and I'm banned from Black-cell.
