SuperFlyingEngiYeah, Three Kings looks bad, but not the worst movie ever. It's like that old World War II movie where the squad runs ahead of their force to try and find Rommel's gold or something. Good movie.

Thats Kelly's Heroes. Fricken ace movie.

Donald Sutherland and about a million other well known faces, tanks that fire paint and have speakers playing country music on the sides.

That alone is enough to make it a great movie.
