Well I fund my own server straight out of my pocket and once in a while I get a donation. Out of these donations I take half and give it to RENGUARD and I keep the other half. Yeah it's costing me money but I will do anything I can to help RENGUARD along. I don't want to play with cheaters again. Gameplay before RENGUARD was a nightmare! The money you would be donating to RENGUARD is a drop in the bucket compared to what the RENGUARD team has already invested. So if you like playing cheat free as I do. You should do everything in your power to help them along and make sure that RENGUARD is a success!

CHEAT FREE IS THE WAY TO BE!
