AlkalinxptekSure, I've lied about a few things, but I wouldn't classify it as even close to compulsive.

man you lie with every breath you take, hide in shame, don't use anything made by BC if you have any dignity.

I mean, you are so successfull and all being the designer for all the templates at <http://www.liquid2d.com> :rolleyes:

The retard has returned! :rolleyes:
