MrBobUmbral_DelaFlareSomeone remind me again WHY Alkaline was unbanned.....

Controversy = Publicity

On a more serious note, jball and xptek want trouble just as much as Alkaline. I think it would've been funny if no one cared Alkaline was back. In fact, that's probably why he's back, for attention, for challenge.

Just want his ass gone. I actually like arguing to prove a point, so that somewhat entices (sp) me to post.
